Quality JJ Cabinet Warehouse supplies **PRE-MADE** products. The quality of cabinetry and installation that the customer will expect is according to the displayed items at the showroom of JCW.

1. Colour: The colour aberration of the cabinet doors and/or side panels is expected to not exceed 15%.
2. Scratch: minor scratches may be expected and are not quality issues
3. Cracking: The cracking of the cabinet surface is unavoidable because of the nature of the wood regardless of which factory the products are manufactured. JCW will define the cracking as a quality issue only when the cracking area is more than 1/8 of an inch.
4. Grain: The products are made of natural solid wood; as result, the grain of the cabinets, the density of the wood and the consistency of the paint of cabinets are uncontrollable.
5. Tolerance: As of the nature of wood products, cabinets are expected to shrink, distort, crack or/and bend in various circumstances. Only when the cabinets have been used in a normal condition and the cabinets dimension of the shrinking, distortion, crack or/and bend is over 1/8 inch, JCW will define it as a quality issue.

Item Exchange All changes to the products must be pre-authorized by the sales representative before delivery. Returned and changed products must be freight prepaid and 20% on the invoice amount as restocking fee will be applied if the products have been delivered to the job site. No Shipping fee will be charged only if the customer returns and changes products in the warehouse. Non changeable nor refundable on installed and/or damaged products.

Warranty JCW warrants its products by providing to the customer/Dealers a LIMITED WARRANTY for a period of ONE YEAR from the original date of purchase. Should any of our products fail due to defects in material or workmanship under normal used within this ONE YEAR period, JCW will at its own discretion repair or replace the defective part. This warranty does not cover product which are misused, abused, mishandled, improperly installed, improperly stored, changed, modified or are subject to extreme temperature or moisture level. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended.

This warranty does not include or cover the cost of installation, removal, subsequent damaged or transportation of the defective product, regardless of whether work was performed by a contractor, Service Company or you.

Variations in colour and grain patterns are a natural characteristic of wood. Colour changes may occur in the finished wood products as a result of exposure to light other element which are part of the aging process. These material variations and changes are not covered by this warranty.
